

Lineweaver Family Engagement Team Meeting

1st Quarter

Love of Learning Night 10/5 Meeting Notes

Date of Event: February 29th

Time of Event: 5:00- 6:30

Topics

A. Goal of this Event & Our vision for this year

- The primary focus of this event is to bring together our school and community through a variety of activities such as math, science, literacy, and art activities.
- However, this year we would like to have all tables and activities ran by organizations within our district or community. This in-turn would allow teachers the opportunity to still participate but be able to interact with families more.
