- IV. Finally, we went over the results of Family Engagement Survey – there were 58 responses and most of the concerns were about communication; talked about trying to get focus group done by end of February – Arlene from Family Engagement could lead meeting and idea of Ms. Malkum coming to do note taking on flip chart.
 - a. Ideas and responses from team about concerns in survey
 - i. Social media needs to have more than one person with passwords. Ms. Slosson will get password for Facebook and Instagram from Kyle and post as well
 - ii. passwordsquare was a big concern in survey and parents do not know how to work it. We discussed some of the limitations and if could do regular email – but this is not likely.
 - iii. Combo classroom was a concern in Survey and the lack of communication to the families about this happening or the details around it
 - iv. Closed Campus concern and parents wanting to create more community – talked about coffee with Principle that used to happen when Krystal was the Community Liaison. Also talked about office hours for teachers as a possibly for parents to get more information about student academics and create more classroom engagement.
 - v. Another concern was parents not being informed of assessment, benchmarks and students standing. Along with report cards not having much information and often too late to fix things, and a need for a why to see grades and how students are doing throughout quarter
 - vi. Also talked about lack of communication from teachers – not all do Newsletters, not all use ClassDojo, not all send out emails. We talked about this needing to be something that needs to be site wide when we know about the status of Administration next year.
 - vii. Survey results sent to all team members
- V. Set up next meeting for February 5, 2026, from 3:15-4:15 in Room 12
- VI. Ms. Higgins will set up some meetings for volunteers and finalizations of Love of Learning night as well.
